Results and team information from FIH Archives and IOC Official Report (Competitions summary and results) Volume 2. Match information is taken solely from the IOC Official report which simply records the period in which goals were scored and by whom. Consequently timings are indicative only of whether a goal was scored in the first or second half or in a period of extra time. Similarly detail on type of goal scored by specific players, cards given and substitutions made is limited. Team GKs and Captains are not noted so, where recorded, information is derived from other sources.
